

TUFFframe™

TENSIONED OUTDOOR BATTING CAGE

It's tough to beat a Beacon TUFFframe™ Tensioned Batting Cage.

Setup and take down is quick and easy with this durable cage, and all of it happens from the ground in just minutes — no need for a ladder. These batting cage kits come with or without upright pipes, giving you the option to source pipe locally to save on shipping costs. At your request, we can also provide a wind speed rating for your netting with signed and sealed engineering calculations for any state or region in the country.

FEATURES

- Standard sizes include 70' long for **baseball** and 55' long for **softball** by 14' wide and 12' high
- Heavy-duty **schedule 40 steel 4"** pipe uprights
- Premium UV-treated **knotless nylon cage nets**
- Pre-assembled **net** and **overhead cables** for quick and easy setup
- Net is **offset 3'** from pipe uprights
- Pre-assembled **ground cable kit** to anchor net at base to reduce interference from wind
- **Overload protection system** prevents damage to the uprights by avoiding excessive loading
- **Multiple cage designs** can be configured any way you need them — single, double, triple, quad, side-by-side, end-to-end

OPTIONS

- **Ground Sleeves.** For situations when the cage needs to be completely taken down, uprights and all
- **Net Protector.** Net or vinyl panels hung on the batting end of the cage to reduce wear on cage net
- **Soft-Toss Attachments.** Set of sock-net hitting stations and attachment hardware for one or both sides of cage
- **Artificial Turf.** Varying weights and thicknesses for all levels of play
- **Golf Netting.** Double the usefulness of your cage with a golf end insert
