

TUFFframe™

TENSIONED OUTDOOR BATTING CAGE

It's tough to beat a Beacon TUFFframe™ Tensioned Batting Cage.

Setup and take down is quick and easy with this durable cage, and all of it happens from the ground in just minutes — no need for a ladder. These batting cage kits come with or without upright pipes, giving you the option to source pipe locally to save on shipping costs. At your request, we can also provide a wind speed rating for your netting with signed and sealed engineering calculations for any state or region in the country.

FEATURES

- Standard sizes include 70' long for **baseball** and 55' long for **softball** by 14' wide and 12' high
- Heavy-duty **schedule 40 steel 4"** pipe uprights
- Premium UV-treated **knotless nylon cage nets** with **dual flap entrances**
- Pre-assembled **net** and **overhead cables** for quick and easy setup
- Net is **offset 3"** from pipe uprights
- Pre-assembled **ground cable kit** to anchor net at base to reduce interference from wind
- **Overload protection system** prevents damage to the uprights by avoiding excessive loading
- **Multiple cage designs** can be configured any way you need them — single, double, triple, quad, side-by-side, end-to-end

OPTIONS

- **Ground Sleeve Kit.** For situations when the cage needs to be completely taken down, uprights and all
- **Net Protector.** Net or vinyl panels hung on the batting end of the cage to reduce wear on cage net
- **Soft-Toss Attachments.** Set of sock-net hitting stations and attachment hardware for one or both sides of cage
- **Artificial Turf.** Rubber infill artificial turf or standard artificial turf with 5mm foam pad
- **Golf Netting.** A complete golf net, or baseball / golf combo netting, will double the usefulness of your cage
- **Economy Cage Net.** Imported high-tenacity polypropylene net

Standard sizes include 70' long for baseball and 55' long for softball by 14' wide and 12' high. Reference these tables for specific product codes for batting cages with or without upright posts.
