

TUFFframe™

MODULAR OUTDOOR BATTING CAGE

Nothing says quality like a Beacon TUFFframe™ Modular Batting Cage.

These cages have survived some of the toughest weather mother nature has thrown at them thanks to their quality materials construction. These batting cage kits come with or without upright pipes, giving you the option to source pipe locally to save on shipping costs. At your request, we can also provide a wind speed rating for your netting with signed and sealed engineering calculations for any state or region in the country.

FEATURES

- Standard sizes include 70' long for **baseball** and 55' long for **softball** by 14' wide and 12' high
- Heavy-duty **schedule 40 steel 3"** pipe uprights
- **Schedule 20 steel** offset uprights to separate the nets from the pipe
- Premium UV-treated **knotless nylon cage nets**
- Pre-assembled **overhead cables** with quick link attachments for easy setup
- Pre-assembled **ground cable kit** to anchor net at base to reduce interference from wind
- **Multiple cage designs** can be configured any way you need them — single, double, triple, quad, side-by-side, end-to-end

OPTIONS

- **Tensioning Cuffs.** Secure the nets at the corners to further restrict wind interference
- **Ground Sleeves.** For situations when the cage needs to be completely taken down, uprights and all
- **Net Protector.** Net or vinyl panels hung on the batting end of the cage to reduce wear on cage net
- **Soft-Toss Attachments.** Set of sock-net hitting stations and attachment hardware for one or both sides of cage
- **Artificial Turf.** Varying weights and thicknesses for all levels of play
- **Golf Netting.** Double the usefulness of your cage with a golf end insert

TUFFframe™
