

# Foul Pole - Professional

An important addition to any ball field, this pair of Professional Foul Poles clearly marks the difference between a home run and a foul ball. Heavy-duty, powdercoat steel means the poles are built to withstand harsh weather and line-drive home runs.

## FEATURES

- Constructed of 3.5", 13-gauge heavy-duty steel pipe.
- Schedule 40 steel tube uprights with an 18" wide expanded steel mesh visibility wing.
- Engineered to withstand up to 120 mph winds.
- Designed for permanent/semi-permanent, or surface-mount installation
- Sold as pairs.

## COLOR OPTIONS

- Powder-coated colors are yellow, orange or white.
