

SENTINEL SCREEN

The Sentinel Series L-Screen represents the pinnacle of durability in baseball and softball protective equipment. Engineered to provide superior protection for players and coaches, this L-Screen features a robust steel frame encased in 18oz vinyl and high-impact foam padding. This construction ensures exceptional longevity and safety. Designed to endure rigorous use by high school, collegiate, and professional teams, the Sentinel L-Screen is built to withstand extensive wear.

PRODUCT FEATURES

- Reversible "L" shape for right or left handed throwers
- Heavy-duty black netting with UV-treatment
- 1.5" Impact Foam padding
- UV-Treated vinyl padding
- Galvanized steel frame
- Wheel Kit available to add on
